

(? Date) Chiangmai Manuscript Surcharge.10 Atts on 2½ Atts.

The stamp shown below is cancelled with a portion of a Chiangmai postmark, and is possibly an authentic emergency issue made there at some period, but nothing is known of its history, and it may very well be a clumsy attempt to imitate the Battambang Typewritten Provisionals of 1902.

The Surcharge consists of the words "Att 10" in pale mauve ink above, and the usual Siamese inscription (reading "value 10 Atts") below, in deep black ink, both being in Manuscript.
